

NCC Solutions
Networks - Communications - Contracting

Digital Signage

Attract more attention to your store - Increase customer flow - Increase sales

www.nccsolutions.com.au

Bring your marketing to life

- Promote your sales campaigns
- Alternate pictures and messages
- Showcase your product listing
- Menu boards
- Play a video with real models showcasing your products
- Schedule time specific promotions e.g happy hour

Benefits to your business

- Flexibility to make changes as required weekly or even daily
- Maximise your marketing potential
- High impact colour pictures and video attract customers to your store
- Saves on costs of traditional posters and banners that are single message displays

Solutions to suit your business

- Locally managed solutions to suit smaller businesses
- Remote managed Enterprise solutions for centrally controlled campaign management
- Rental or purchase models to suit your budget

Why choose NCC?

Our team has over 15 years experience in Hospitality. From this experience we design a solution to meet your budget and your requirement and we work closely with you to ensure the solution is effective and provides a positive return on investment.
